

## It's a Jungle Out There Songtext

It's a jungle out there  
Disorder and confusion everywhere  
No one seems to care  
Well, I do  
Hey, who's in charge here?

It's a jungle out there  
Poison in the very air we breathe  
You know what's in the water that you drink?  
Well, I do, and it's amazing

People think I'm crazy, 'cause I worry all the time  
If you paid attention, you'd be worried too  
You better pay attention, or this world you love so much might just kill you  
I could be wrong now, but I don't think so

'Cause it's a jungle out there  
It's a jungle out there

It's a jungle out there  
Violence and danger everywhere  
It's brother against brother, pounding on each other  
Like they were millionaires

It's a jungle out there  
It's a jungle in here too  
You gonna tap right on your phone  
The microphone, the camera checking out everything you do

Call it paranoia, as the saying goes  
Even paranoia's an enemy  
I'm not the one who's crazy, I'm not afraid to live  
They're afraid of you and me  
I could be wrong now, but I don't think so

'Cause it's a jungle out there  
Yeah, it's a jungle out there

It's a jungle out there  
Even the cops are scared today  
So if you see a uniform  
Do exactly what they say  
Or make a run for it

I'm only kidding with you  
'Cause it's a jungle out there  
It's a jungle out there
